

Eucharistic Celebration and Blessing of the Newly Renovated Formation Center

Geared with the Eucharistic mission to provide further and better formation programs not only for the parish, but for the whole Archdiocese, Santuario Eucaristico had its Formation Center renovated. The project was completed mid February and a Eucharistic Celebration and Blessing of the Newly Renovated Formation Center was held on February 17.

For many years now, Santuario Eucaristico's formation center had been used for both parish and Archdiocesan activities and programs. In a vision to provide a more convenient center for formation programs, the parish started its Formation Center renovation project last August 2017. After six (6) months, and through the support of our parishioners and benefactors, the renovation project was completed. A Eucharistic Celebration and Blessing of the Newly Renovated Formation Center was presided by Most Rev. Archbishop Antonio J. Ledesma, SJ, DD, with our SSS Provincial Superior Fr. Joseph Matitu, SSS, our shrine rector and parish priest Fr. Froilan Renato A. Briones, SSS, Fr. Muriel A. Uy, SSS, Fr. Clifford Barrios, SSS and Fr. Maximilian Mary Ciar of the Franciscan Friars of the Immaculate together with our parish council and parishioners.

Congratulations for another milestone completed in renovating the Formation Center for the realization of our Eucharistic Mission and Evangelization. On behalf of Santuario Eucararistico, we would like to thank all our parishioners, benefactors and sponsors for another successful project and for the continued love and support to our formation programs!
