

Feeding Program for August 2017

It was said that “Peace begin where the hungry are fed.” In our parish, we not only pray for the hungry but we also feed them every month in our Parish Feeding Program.

This month, we fed around 50 kids and adults from around the parish last August 19, 2017. Thanks to our volunteers and the personnel of 4th Light Armored Cavalry Troop(SEPARATE), Mechanized Infantry Division, Philippine Army for the success of this program.
