

Mass for the Sick and Medical Clinic for August 2017

In St. Teresa of Calcutta's words, "Faith in action is Love – and Love in action is service." This month, we offered service to our sick brothers and sisters who need medical help through our Mass for the Sick and Medical Clinic last August 11, 2017.

The Mass for the Sick was presided by Fr. Muriel Uy, SSS at 8:00am. The Sacrament of Anointing was granted to all our sick brothers and sisters who attended the mass. Afterwards followed the clinic where there were more than 50 patients who came for aid and was warmly attended by our volunteers.

With grateful hearts, we thank our volunteer nurses and doctors for another successful Medical help to our brothers and sisters!
